## DECISIONS BY SUPREME COURT

### Husband Not Forced to Pay the Attorney Fees of Wife.

Three decisions were handed down by the Territorial Supreme Court yesterday. In an opinion written by Chief Justice Hartwell, the tribunal held that the judgment of the district magistrate of Wailuku was correct in the action of J. M. Vivas and A. G. Correa against Moses Kaunimahu; J. H. Fisher, Auditor of the Territory, garnishee.

The Supreme Court affirms the judgment that a husband is not liable at law for the fee of an attorney in defending his wife in a libel for divorce.

The suit was brought by Correa and Vivas in an effort to secure the collection of \$100, due them for legal services performed in the behalf of Mrs. Kaunimahu on her appeal to the Supreme Court from a decree of divorce obtained by her husband. A demurrer was entered by the defendant on the ground that no cause for action was specified, and that the court was without jurisdiction. This view was concurred in by the Supreme Court.

#### Order Repayment.

A second decision is against the plaintiff in the case of Mary Atherton Richards against Carl Ontai, James Ontai and Henry Ontai. The suit was to recover the sum of \$625 on a lease of the Kauluwela Lodgings. An admission was made by the defense that the rent was an obligation against them, but they presented a counter claim of \$1090.32 for the use of water. A verdict was returned for the defendants in the sum of \$246.50.

According to the interpretations placed upon the law involved by the Supreme Court the instructions of the trial court as to the payment of water rates is found open to criticism and the decision states "that a new trial will be ordered unless the plaintiff shall within five days from this date remit the amount which under this opinion was erroneously included in the verdict."

The decision of the Supreme Court is that the terms of the lease were not affected by statements in letters that passed between Theodore Richards, representing his wife, the plaintiff in the action, and the defendants.

The Supreme Court held that there was nothing for it to consider in the question reserved in the Court of Land Registration case of McCandless against Lansing et al. The reserved question was whether the judgment of the land court was "contrary to law or not." The Supreme Court holds that there was nothing for it to rule upon, and accordingly stated in the opinion.

#### Notes of the Courts.

An order was granted yesterday by Judge Robinson substituting H. Cushman Carter for the late J. O. Carter as trustee under the trust agreement entered into between John A. Cummins and his wife, Kahalewai Cummins.

Seven days from yesterday is the period granted to the attorneys for Annie K. Hart in which to file a bill of exceptions in the case of the N. S. Sachs Dry Goods Company, Ltd., against Mrs. Hart.

The Hawaiian Trust Company has been appointed guardian of Beatrice M. G. K. Luce, an incompetent, with bond fixed at the sum of \$3750.

A motion to enter judgment non obstante veredicto, pursuant to a mandate of the Supreme Court, has been filed in the case of W. M. Bierce Co., Ltd. against William Waterhouse and Albert Waterhouse, executors of the estate of Henry Waterhouse. A verdict was given for the plaintiff in the trial court.

An injunction was granted yesterday preventing Davies & Co. from paying over to Lau Pio the sum of \$525.00, pending hearing on a petition for a dissolution of partnership and accounting between Lau Pio and Sau Kee. The two Chinese were in the salt business at Paulea.

#### SINCE PA HAS BOUGHT A LIMOUSINE.

The neighbors never pass us by unnoticed any more. They've ceased to tilt their noses high the way they did before. We're not looked down on by the Browns or snubbed by Mrs. Green—There's been a sudden change since pa has bought a limousine.

Ma gets invited out to tea or something every day. And boys that used to hoot at me have pleasant things to say. The callers come in style and show an interest that's keen. In us and our affairs since pa has bought a limousine.

Sis used to sit here lookin' glum, because no beau would call. But now you ought to see them come! —they line up in the hall! Ma used to often fret, but she has learned to be serene. Although we're deep in debt since pa has bought a limousine. —Chicago Record-Herald.

## TAKE A TONIC FOR NEURALGIA

Highest Medical Authorities Agree on Treatment for This Painful Disease.

Neuralgia is inflammation of a nerve. This inflammation is sometimes caused by exposure to cold, sometimes by the nerve irritation arising from a decayed tooth. Of all causes, however, a general debility of the system is by far the most frequent. Authorities agree that the proper treatment for neuralgia is to build up the strength and health of the body. A nourishing diet and tonic treatment will accomplish this but external applications, as of liniments, cannot. Dr. Williams' Pink Pills are the most valuable tonic for the home treatment of neuralgia, a fact proved by the following case recently reported.

Mrs. Martha Decker, of No. 561 St. Paul avenue, Beloit, Wis., who has been cured of neuralgia by Dr. Williams' Pink Pills, says:

"I suffered with neuralgia ever since I was a young girl until I took Dr. Williams' Pink Pills about five years ago. Each year the attacks became more obstinate to relieve and finally became so bad that I had to give up entirely. I suffered everything but death. I had severe cutting pains through my head and in my side. I could hardly get around for the pains pierced me like needles. My flesh would occasionally become swollen and I would then be in perfect misery. I could not sleep nor rest. My blood was poor and I lost in flesh. The doctor pronounced my trouble neuralgia. I took his medicine faithfully for a long time but my condition grew worse instead of better. I really thought I would never get any relief. I decided to try Dr. Williams' Pink Pills, when I read in a paper how a case of neuralgia had been cured by their use. Soon after I began taking them I could see a change for the better. As they were the only thing that had relieved me I continued using them and was cured. I would not be without Dr. Williams' Pink Pills and always recommend them whenever I hear anyone complaining."

Dr. Williams' Pink Pills are sold by all druggists, or sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y. They are guaranteed to be free from opiates or any harmful drug and cannot injure the most delicate system.

"There," said Borem, "that's what I think you should do in the matter. I'm no lawyer, but this is just a little bit of advice that costs you nothing. What do you think of it?" "Well," replied Wise, "it's worth it." —Catholic Standard and Times.
